

## Media Release & Family Directory Consent

Dear Parent/Guardian,

Over the course of a student's time at a Great Hearts academy, opportunities will arise to photograph/videotape them actively engaged in fun and learning inside and outside of the classroom. These pictures/videos may be used for a variety of purposes including, but not limited to, advertising, design, and social media. With the exception of the school yearbook, athletics, club and academic events/awards, student names are never associated with photos or postings.

**If, for any reason, you object to your student's photograph being used during his/her time at a Great Hearts academy, please mark 'No Media'. Otherwise, please indicate your consent level below. Please also indicate below what, if any, of your contact information you would like included in your school's Family Directory.**
